

SUPPORTING ORGANISATIONS AND ASSOCIATIONS

World Council for Renewable Energies - EREF
European Renewable Energies Federation - African
Wind Energy Association - AAEE Asociación
Argentina de Energía Eólica - Australian Wind
Energy Association - IG Windkraft, Austria - Institute
for Environment and Development Studies – FoE
Bangladesh - Economic Institute of Belarus National
Sciences Academy - Black Sea NGO Network -
Brazil Wind Energy Association - Centro Brasileiro
de Energia Eólica - Cresesb, Brazil - EUC Energy-
Nature-Balkan, Bulgaria - Centro de Estudio de los
Recursos Energéticos, Chile - Chinese Wind Energy
Association - Institute of Energy and Environment,
China - CETER, Cuba - The Folkecenter, Denmark -
Egypt Wind Energy Association - EWEA European
Wind Energy Association - Eubia European
Biomass Industry Association – Eurosolar – FGW
Fördergesellschaft Windenergie, Germany - Carl-
Duisberg-Gesellschaft, Germany - DEG Deutsche
Investitions- und Entwicklungsgesellschaft,
Germany - DEWI German Wind Energy Institute -
GTZ Deutsche Gesellschaft für Technische
Zusammenarbeit, Germany - City of Wind Energy
Fair Husum, Germany – IEA International Energy
Agency - ISET-Kassel, Germany - Indian Wind
Turbines Manufacturers' Association - ISES
International Solar Energy Society - Japan Wind
Energy Association - Korea Center for Energy
Alternatives - Wind Energy Research Group Korea -
Lithuanian Energy Institute - Nigeria Wind Energy
Association - Norwegian Wind Energy Association -
Polish Wind Energy Association - Romanian Wind
Energy Association - Wind Energy Research
Center, "Politehnica" University of Timisoara,
Romania - Russian Academy of Sciences, Kola
Science Center - APPA Asociación de Productores
de Energías Renovables, Spain - South African
Wind Energy Association - Swedish Wind Energy
Association - SERO, Sweden - Suisse Eole,
Switzerland - Marmara University, Faculty of
Engineering, Turkey - Turkish Wind Energy
Association - Energy 21, U.K. - Vietnamese Clean
Energy Association
